RESIDENT'S REPORT

Our last club meeting welcomed Isabel and Sophia our two supported students who attended the District's RYPEN (Rotary Youth Program of Enrichment). It was good to again hear of the value gained from this continuing program and the encouragement conveyed to others for future involvement.

We also welcomed Sophia's mother Bonnie, and again had Craig Nihill as a visitor to our meeting.

We can be looking forward to our next meeting on 19 August when we will be addressed by members of the 2nd Adelaide Scouts Group which we have recently supported. They are of course located just over the road from The Ed on the corner of High Street and Maitland Street.

The next Club Bunnings BBQ is to be on 30 August 2026 and support for this will be appreciated.

I reiterated to all present the great and extensive information on our Club Web Site that has been developed by Sam Camporeale. Please regularly and routinely keep up to date on all the content thereon, so to keep up to date and to be a vehicle for transmission to others in response to that question of "what does the Rotary Club of Mitcham do? There is so much information.

A reminder to respond to Secretary Helen Gooley's email sent to all members for a response to her concerning the Rotary International instigated detailed Re-Districting proposal that involves an expansion of our District 9510. Prompt responses to Helen in the coming week will facilitate this matter being considered by the Board on 19 August 2026.

THERE IS STILL TIME TO DONATE TO

WALK A MILE IN OUR BOOTS

On Friday August 7 our club again walked at Ridge Park to raise much needed funds for the Hutt Street Centre.

This National Homelessness Week, we are walking a mile (or more!) to raise funds for the 7,000 people experiencing homelessness in South Australia.

The Hutt St Centre is a place of connection, compassion and support, where people at risk of or experiencing homelessness can rebuild their lives, rediscover their identities and reconnect with their loved ones.

When you donate to Hutt St Centre, you're directly supporting the men and women in your community who are at risk of or are experiencing homelessness. The Hutt St Wellbeing Centre is funded by the generosity of the community, major partners and receives no Government funding.

Please make a donation via the link to support our club's efforts. (or contact Lee to place your donation for you and provide a tax receipt in your name)
