Glenunga
Supporting a café staying open in spite of Tony and Marks closing down

18 November 2026 — **AT THE ED**
Guest Speaker — **TO BE ANNOUNCED**
Raffle — *Chris Dodsworth*

VICE PRESIDENT MATT CHAPMAN'S REPORT

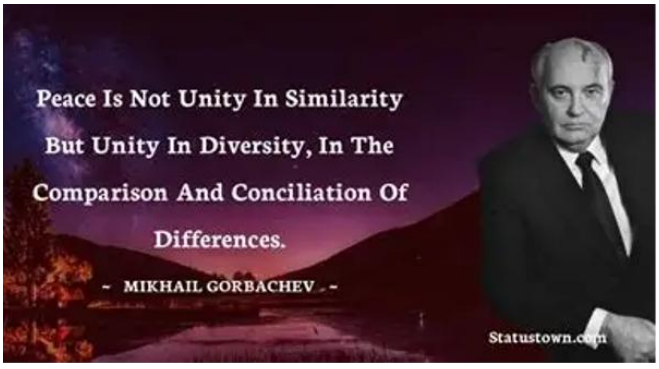

We were incredibly fortunate to be joined by Dennis Liddicoat and his wife Christine at our meeting on the 21st. Dennis's obvious zest for life and deep regard for humanity was a feature of his presentation, as he spoke about joining the last leg of his son's bicycle ride from Munich to Adelaide (yes, that Munich) and his amazing work with at risk children. '

Vice President Matt Chapman thanking Dennis Liddicott

Although slightly short of numbers, we received valuable updates from Malcom on our work on international projects, and David Elliots update on the DV Safe project and Brownhill Creek Conservation Park before his imminent trip to Japan (Mata ne, David and Rachel). Special thanks to everyone who made the meeting possible, David and Dean on the front desk, Craig for his toast, Helen for preparing the agenda, and particular mention to Chris Dodsworth for the recent write up about Cedric Williams.

My thought of the week was from former Soviet leader Mikhail Gorbachev, who said "

THE SALVATION ARMY REVERSE ADVENT CALENDAR

Unley Salvos are looking for our assistance to fill bags with Christmas grocery items.

We understand that this can be a large ask for some members and would like to make suggestions for those wanting to assist but unable to assist in entirety (this will replace the usual toy collection).

- Join with another member to fill the requirements.
- Buy just what you can but ensure it is an item/items from the list and please ensure "use by dates" extend well beyond Christmas.
- Purchase a $30 Coles/Myer or Woolworths Wish Gift card instead (the set amount is so that all recipients are treated equally).
- Still prefer to buy a toy, then please do so, these will still be required.
- Please return to a club meeting no later than the AGM on 2nd December but anytime earlier is welcome.

THE NEW 190, 000 LITRE FIRE WATER TANK AT CHERRY GARDENS CFS HAS NOW BEEN COMPLETED AND IS READY TO USE

The lead for this project was undertaken by the Rotary Club of Flagstaff Hill (RCFH) as an Area 9 project in 2022 under the leadership of then Area Governor Di Clements. Our club contributed with other Area 9 clubs to the cost of this much needed resource for the CFS which would not have been built if not for Rotary.

Congratulations to Anthony Galpin and the RCFH for their outstanding work in delivering the tank despite a number of unforeseen obstacles.
