PRESIDENT'S REPORT

Thank you to all who were able to attend the Club's Changeover Dinner on 1 July 2026 at The Edinburgh Hotel, Mitcham. It was a special celebration of all that the club has undertaken in the last year, so comprehensively outlined by President Jenny McCarthy in her 2025-26 Annual Report reflecting the extensive contributions of members, partners, and friends. Attendees included three Club PDGs Malcolm Lindquist, Sam

Camporeale, and David Jones, and District Community Leader Di Clements, Members and Honorary Members.

Tom Whitworth was MC and proposed the Toast to Rotary International. PDG Malcolm Lindquist gave the Response.

Copies of Jenny's report and the words of Tom and Malcolm **are being emailed to all Members and Honorary Members** of the Club. Please see these for the very detailed club information and recognition of the club experiences of three resigning members, Sonja, Sue, and Sandy.

Jenny provided details in presenting a Paul Harris Fellow (PHF) to Rosalind Gooden, and a PHF with Sapphire Pin to Locky McLaren recognising their respected contributions.

Peter Dry expressed appreciation to President Jenny and Kevin for her Presidential year.

Honorary Member Mary Silver (PP 2022/23) gave a spontaneous and heartfelt appreciation of the gathering and of the Club's extensive on-going activities.

The 2026-27 Rotary International Presidential Message is "Create Lasting Impact", reminding us that "Change is only the beginning. Impact is what endures."

This message reflects the shared purpose of working together to create meaningful change and provides a framework for telling those stories of impact.

I would like to think that as we move forward each of us can readily relate to, and convey to others, the club's involvement and impact in all our projects.

I look forward to 2026-27 with great enthusiasm with the support of all.

Andrew.
