ROTARIANS OUT AND ABOUT SOCIAL NIGHT AT CAFE PAPAARZZI

DO YOU REALIZE THAT

Our club is strongly supporting this project which collects, repairs and distributes free mobile phones to domestic violence victims through a nationwide network of more than 400 agency partners (domestic violence agencies, police stations, hospitals and safe houses). **If you have an old mobile phone or phones, please donate them** by placing them in the collection box in the Rotary Bookshop. This project is also a great reason to update your old mobile phone to a newer model. **(Come on, you know you want to do it!)**
